(a) Eligibility: The eligibility of bidders to participate in a procurement process and to be awarded a Bank-financed contract shall be as defined under Section I of the Procurement Guidelines; accordingly, no bidder or potential bidder shall be declared ineligible for contracts financed by the Bank for reasons other than those provided in Section I of the Procurement Guidelines. Foreign bidders shall be allowed to participate in NCB procedures, and shall not be obligated to partner with local bidders in order to participate in a procurement process.

(b) Registration: Bidding shall not be restricted to pre-registered firms, and foreign bidders shall not be required to be registered with local authorities as a prerequisite for submitting bids.

(d) Bidding Documents: Procuring entities shall use the appropriate standard bidding documents, including contractual provisions, satisfactory to the Bank.

(e) Cost Estimates: Cost estimates shall be confidential and shall not be disclosed to prospective bidders.

(f) Bid Validity: An extension of bid validity, if justified by exceptional circumstances, may be requested in writing from all bidders before the expiration date and for a minimum period required to complete the evaluation or award a contract, provided that such extension shall cover only the minimum period required to complete the evaluation and/or award a contract, but not to exceed four (4) weeks. No further extensions shall be requested without the prior written concurrence of the Bank.

(g) Bid Submission and Bid Opening: Prospective bidders shall be given at least thirty (30) days from the date of publication of the invitation to bid or the date of availability of the bidding documents, whichever is later, to prepare and submit bids. Bids shall be opened in public immediately after the deadline for their
submission. A copy of the bid opening minutes shall be promptly provided to all bidders who submitted bids, and to the Bank with respect to contracts subject to the Bank’s prior review.

(h) Qualification: Qualification criteria shall be clearly specified in the bidding documents. All criteria so specified, and only such specified criteria, shall be used to determine whether a bidder is qualified. Qualification shall be assessed on a “pass or fail” basis, and merit points shall not be used. Such assessment shall be based entirely upon the bidder’s or prospective bidder’s capability and resources to effectively perform the contract, taking into account objective and measurable factors, including: (i) relevant general and specific experience, and satisfactory past performance and successful completion of similar contracts over a given period; (ii) financial position; and where relevant (iii) capability of construction and/or manufacturing facilities.

(k) Bid Evaluation: Evaluation criteria shall be clearly specified in the bidding documents. Evaluation of bids shall be made in strict adherence to the quantifiable criteria declared in the bidding documents. Evaluation criteria other than price shall be quantified in monetary terms. Merit points and bracketing shall not be used, and no minimum point or percentage value shall be assigned to the significance of price, in bid evaluation. The procuring entity shall ask bidders for clarifications needed to evaluate their bids, but shall not ask or permit bidders to change the substance or price of their bids after the bid opening.

(m) Rejection of Bids and Re-Bidding: No bids shall be rejected solely because they fall below or exceed the estimated cost or outside of a range or “bracket” of bid values. All bids (including in the case when less than two bids are received) shall not be rejected, the procurement process shall not be cancelled, and new bids shall not be solicited without the Bank’s prior written concurrence.
(n) Guarantees: Bid and contract guarantees shall be in the format and have the required period of validity specified in the bidding documents. If required, bid security shall be expressed as a fixed amount and shall not exceed two percent (2%) of the estimated cost of the contract. No advance payments shall be made to contractors without a suitable advance payment guarantee.

(o) Confidentiality: The process of bid evaluation shall be confidential until the publication of contract award.

Acts intended to materially impede the exercise of the Bank’s inspection and audit rights provided for in the Procurement Guidelines constitute an obstructive practice as defined in the Guidelines.

(b) Any amount withdrawn after the first Principal Payment Date shall be repaid on each Principal Payment Date falling after the date of such withdrawal in amounts determined by the Bank by multiplying the amount of each such withdrawal by a fraction, the numerator of which is the original Installment Share specified in the table in paragraph 1 of this Schedule for said Principal Payment Date ("Original Installment Share") and the denominator of which is the sum of all remaining Original Installment Shares for Principal Payment Dates falling on or after such date, such amounts repayable to be adjusted, as necessary, to deduct any amounts referred to in paragraph 4 of this Schedule, to which a Currency Conversion applies.
3. (a) Amounts of the Loan withdrawn within two calendar months prior to any Principal Payment Date shall, for the purposes solely of calculating the principal amounts payable on any Principal Payment Date, be treated as withdrawn and outstanding on the second Principal Payment Date following the date of withdrawal and shall be repayable on each Principal Payment Date commencing with the second Principal Payment Date following the date of withdrawal.

(b) Notwithstanding the provisions of sub-paragraph (a) of this paragraph, if at any time the Bank adopts a due date billing system under which invoices are issued on or after the respective Principal Payment Date, the provisions of such sub-paragraph shall no longer apply to any withdrawals made after the adoption of such billing system.

4. Notwithstanding the provisions of paragraphs 1 and 2 of this Schedule, upon a Currency Conversion of all or any portion of the Withdrawn Loan Balance to an Approved Currency, the amount so converted in the Approved Currency that is repayable on any Principal Payment Date occurring during the Conversion Period, shall be determined by the Bank by multiplying such amount in its currency of denomination immediately prior to the Conversion by either: (i) the exchange rate that reflects the amounts of principal in the Approved Currency payable by the Bank under the Currency Hedge Transaction relating to the Conversion; or (ii) if the Bank so determines in accordance with the Conversion Guidelines, the exchange rate component of the Screen Rate.

5. If the Withdrawn Loan Balance is denominated in more than one Loan Currency, the provisions of this Schedule shall apply separately to the amount denominated in each Loan Currency, so as to produce a separate amortization schedule for each such amount.
