Ministry of Finance
P.O. Box 395
Maseru
The Kingdom of Lesotho

Dear Honorable Minister:

Re: IDA Credit 6532-LS
(Lesotho Renewable Energy and Energy Access Project)
Additional Instructions: Disbursement and Financial Information Letter.

I refer to the Financing Agreement between the International Development Association (the “Association”), and the Kingdom of Lesotho (the “Recipient”) and for the above-referenced Project. The General Conditions, as defined in the Financing Agreement, provide that the Recipient may from time to time request withdrawals of Credit Account in accordance with the Disbursement and Financial Information Letter, and such additional instructions as the Association may specify from time to time by notice to the Recipient. The General Conditions also provide that the Disbursement and Financial Information Letter may set out Project specific financial reporting requirements. This letter constitutes such Disbursement and Financial Information Letter (“DFIL”) and may be revised from time to time.

I. Disbursement Arrangements, Withdrawal of Credit Funds, and Reporting of Uses of Credit, Funds.

(i) Disbursement Arrangements

• General Provisions (Schedule 1). The table in Schedule 1 sets out the disbursement methods which may be used by the Recipient, and conditions, information on registration of authorized signatories, processing of withdrawal applications (including minimum value of applications and processing of advances), instructions on supporting documentation, and frequency of reporting on the Designated Account.

(ii) Electronic Delivery. Section 11.01 (c) of the General Conditions.

The Recipient will deliver Withdrawal Applications (with supporting documents) electronically through the Association’s web-based portal “Client Connection” at https://clientconnection.worldbank.org. This option will be effected after the officials designated in writing by the Recipient who are authorized to sign and deliver Withdrawal Applications have registered as users of “Client Connection”. The designated officials will deliver Applications electronically by completing the Form 2380, which is accessible through “Client Connection”. By signing the Authorized Signatory Letter, the Recipient confirms that it is authorizing such persons to accept Secure Identification Credentials (SIDC) and to deliver the Applications
and supporting documents to the Association by electronic means. The Recipient may exercise the option of preparing and delivering Withdrawal Applications in paper form on exceptional cases (including those where the Borrower encounters legal limitations), and which were previously agreed with the Association. By designating officials to use SIDC and by choosing to deliver the Applications electronically, the Recipient confirms through the authorized signatory letter its agreement to: (a) abide by the Terms and Conditions of Use of Secure Identification Credentials in connection with Use of Electronic Means to Process Applications and Supporting Documentation, available in the Association's public website at https://worldbank.org and “Client Connection”; and (b) to cause such official to abide by those terms and conditions.

II. Financial Reports and Audits.

(i) Financial Reports. The Recipient must prepare and furnish to the Association not later than forty-five (45) days after the end of each calendar quarter, interim unaudited financial reports (“IFR”) for the Project covering the quarter.

(ii) Audits. Each audit of the Financial Statements must cover the period of one fiscal year of the Recipient, commencing with the fiscal year in which the first withdrawal was made. The audited Financial Statements for each such period must be furnished to the Association not later than six (6) months after the end of such period.

III. Other Information.

For additional information on disbursement arrangements, please refer to the Loan Handbook available on the Association’s website (http://www.worldbank.org/) and “Client Connection”. The Association recommends that you register as a user of “Client Connection”. From this website you will be able to prepare and deliver Applications, monitor the near real-time status of the Credit, Loan and Grant, and retrieve related policy, financial, and procurement information.

For more information about the website and registration arrangements, or if you have any queries in relation to the above, please contact the Association by email at AskLoans@WorldBank.org using the above reference.

Yours sincerely,
