ANNEX

Purposes, Terms, and Conditions of the Grant

1. Purposes and Activities

The purpose of the Grant is to assist in the financing of the Water and Environmental Management Project (the Project), described in the GEF Trust Fund Grant Agreement,

dated June 21, 1998, between the Recipient and the Bank, acting as implementing agency of the Global Environment Facility (hereinafter referred to as the GEF Agreement). The activities to be financed from the Grant (the Activities) are described in Part C of Schedule 2 to the GEF Agreement as follows:

"Part C: Dam Safety and Reservoir Management

1. Continuation of an assessment by independent experts of dam safety in the Aral Sea Basin.
2. Pilot upgrading, including training, of monitoring and warning systems at selected dam sites.
3. Preparation of detailed designs for priority dam rehabilitation works, including cost-effective measures to reduce sedimentation.
4. Collection and analysis of data and preparation of a program of priority works for Lake Sarez."

2. Implementation Generally

2.1. The Recipient shall: (a) carry out the Activities with due diligence and efficiency and in accordance with the implementation arrangements set forth or referred to in the GEF Agreement; (b) promptly provide the funds, facilities, services and other resources required for that purpose; (c) furnish all information covering the Activities and the use of the proceeds of the Grant as the Bank shall reasonably request; (d) from time to time exchange views with the Bank's representatives on the progress and results of the Activities; and (e) take all necessary measures required to enable the Bank to visit the territory of Central Asian States for purposes related to the Grant. Without limitation on the foregoing, the Recipient shall, if the Bank shall so request, prepare and furnish to the Bank promptly upon completion of the Activities a report, in form and substance satisfactory to the Bank, on the results and impact of the Activities.

3. Procurement

3.1. Except as the Bank shall otherwise agree, procurement of the consultants' services required for the carrying out of the Activities and to be financed out of the proceeds of the Grant shall be governed by the provisions of Attachment I to this Annex.

3.2. The Recipient shall ensure that any facilities relevant to the Activities are at all times operated and maintained in accordance with appropriate practices and that any repairs or renewals of such facilities are promptly made as needed.

4. Withdrawal of Grant Proceeds

4.1. The amount of the Grant shall be credited to an account opened by the Bank on its books in the name of the Recipient (the Grant Account), and may be withdrawn therefrom by the Recipient in accordance with the provisions of this Section 4, for expenditures in respect of the reasonable cost of goods and works, services required for the Activities and to be financed out of the proceeds of the Grant.

4.2. The expenditures for the following items may be financed out of the proceeds of the Grant and shall be used exclusively in the carrying out of the Activities:

Item	Amount of the Grant Allocated (in SEK)	% of Expenditures to be Financed
(1) Consultants' services under Part C of the Project	7,200,000	100%
Total	7,200,000	

4.3. Notwithstanding the provisions of paragraph 4.2 above: (a) no withdrawals shall be made: (i) for payments made for expenditures prior to the date of signature of the GEF Agreement; (ii) on account of payments for any taxes levied by or in the territory of any Central Asian country member of the Recipient; (iii) on account of expenditures in the territories of any country which is not a member of the Bank or for goods

produced in or services supplied from such territories; (iv) for the purpose of any payment to persons or entities, or for any import of goods, if such payment or import, to the Bank's knowledge, is prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations; or (v) after June 30, 2003 or such later date as the Bank shall establish by written notice to the Recipient (the Closing Date), except that withdrawals may be made for expenditures incurred prior to the Closing Date if the corresponding application is received by the Bank within four months after the Closing Date, after which time any amount of the Grant remaining unwithdrawn from the Grant Account shall be canceled; and (b) if, in the Bank's opinion, an amount of the Grant allocated to any of the items in the table in paragraph 4.2 above will be insufficient to finance the expenditures for such item, the Bank may, by written notice to the Recipient, reallocate to such item an amount of the Grant then allocated to another item which, in the Bank's opinion, will not be necessary to meet other expenditures.

4.4. When the Recipient shall desire to withdraw any amount from the Grant Account, it shall deliver to the Bank a written application for withdrawal of such amount in the form specified by the Bank. Withdrawal applications shall be: (a) signed on behalf of the Recipient by the Project Leader designated by the Recipient or such other person as he or she shall have authorized in writing; and (b) be accompanied by such evidence in support of the application as the Bank shall reasonably request. Authenticated specimen signatures of the person authorized to sign withdrawal applications shall be provided with the first application bearing his or her signature. Each withdrawal application for an amount of the Grant and its supporting evidence must be sufficient in form and substance to satisfy the Bank that the Recipient is entitled to withdraw such amount from the Grant Account and that such amount is to be used in the carrying out of the Activities. The Bank shall pay the amounts withdrawn by the Recipient from the Grant Account only to or on the order of the Recipient.

4.5. The Bank may require withdrawals from the Grant Account to be made on the basis of statements of expenditure and for services of consultants terms under contracts costing less than US\$100,000 equivalent each, all under such terms and conditions as the Bank shall specify by notice to the Recipient.

4.6. Withdrawals of the proceeds of the Grant shall be made in the currency of the Grant. The Bank, at the Recipient's request and acting as an agent of the Recipient, shall purchase with the currency of the Grant withdrawn from the Grant Account such currencies as shall be required to pay for expenditures to be financed out of the proceeds of the Grant. Whenever it shall be necessary, for the purposes of this Letter Agreement, to determine the value of one currency in terms of another, such value shall be as reasonably determined by the Bank.

4.7. To facilitate the carrying out of the Activities, the Recipient may open and maintain in United States Dollars a special deposit account (the Special Account) in a commercial bank on terms and conditions satisfactory to the Bank, including appropriate protection against set-off, seizure or attachment. Deposits into, and payments out of, the Special Account shall be made in accordance with the provisions of Attachment II to this Annex.

## 5. Accounts and Audits

5.1. (a) The Recipient shall maintain or cause to be maintained records and accounts adequate to reflect in accordance with sound accounting practices the operations, resources and expenditures in respect of the Activities of the departments or agencies of the Recipient responsible for carrying out the Activities or any part thereof.

(b) The Recipient shall: (i) have the records and accounts referred to in subparagraph (a) above and the records and accounts for the Special Account for each fiscal year audited, in accordance with appropriate auditing principles consistently applied, by independent auditors acceptable to the Bank; (ii) furnish to the Bank as soon as available, but in any case not later than six months after the end of each such year, the report of such audit by said auditors, of such scope and in such detail as the Bank shall have reasonably requested; and (iii) furnish to the Bank such other information concerning said records and accounts and the audit thereof as the Bank shall from time to time reasonably request.

(c) For all expenditures with respect to which withdrawals from the Grant Account were made on the basis of statements of expenditure, the Recipient shall: (i) maintain or cause to be maintained, in accordance with subparagraph (a) above, records and accounts reflecting such expenditures; (ii) retain, until at least one year after

the Bank has received the audit report for the fiscal year in which the last withdrawal from the Grant Account was made, all records (contracts, orders, invoices, bills, receipts and other documents) evidencing such expenditures; (iii) enable the Bank's representatives to examine such records; and (iv) ensure that such records and accounts are included in the annual audit referred to in subparagraph (b) above and that the report of such audit contains a separate opinion by said auditors as to whether the statements of expenditure submitted during such fiscal year, together with the procedures and internal controls involved in their preparation, can be relied upon to support the related withdrawals.

## 6. Suspension and Cancellation

6.1. The Bank may at any time, by notice to the Recipient, suspend the right of the Recipient to make further withdrawals from the Grant Account if any of the following events has occurred and is continuing: (a) the Recipient has failed to comply with any of its obligations herein specified; or (b) the right of the Recipient to make withdrawals under any loan agreement with the Bank shall have been suspended.

6.2. The Bank may, by written notice to the Recipient, terminate the right of the Recipient to make further withdrawals from the Grant Account: (a) at any time after the right of the Recipient to make withdrawals from the Grant Account shall have been suspended pursuant to the provisions of paragraph 6.1 above; or (b) if the Recipient shall have failed to take action, satisfactory to the Bank, within six months after the effective date hereof, to carry out the Activities; or (c) if the Bank has decided, at any time after consultation with the Recipient, to withdraw its support to the Project; or (d) if the Recipient has withdrawn its request for the Bank's assistance in financing the Project.
