SCHEDULE 2

Project Execution

Section I. Implementation Arrangements

A. Institutional Arrangements

1. For the purposes of overall oversight and guidance, as well as multi-sectoral coordination of Project activities the Recipient shall establish, not later than one month after the Effective Date, and after that maintain throughout the implementation of the Project, the Project Steering Committee with the composition, responsibilities and terms of reference satisfactory to the Association.

2. The Recipient shall vest responsibility for the overall implementation of the Project in MOH. To this end the Recipient, through MOH, shall:

(a) not later than one month after the Effective Date establish within MOH, and thereafter maintain throughout the implementation of the Project, the Project Management Unit for the purposes of day-to-day Project management and implementation, including financial management, procurement, and social and environmental safeguards issues, with the composition, responsibilities and terms of reference at all times satisfactory to the Association;

(b) not later than forty-five (45) days after the Effective Date adopt the Project Operational Manual, satisfactory to the Association and setting forth the procedures and requirements for the implementation of the Project activities, and after that implement the Project in accordance with such manual;

(c) ensure that the collection, use and processing (including transfers to third parties) of any personal data collected under the Project will be done in accordance with the requirements and procedures set forth in the POM, and ensuring legitimate, appropriate and proportionate treatment of such data; and

(d) ensure that: (i) construction works to be carried out under the Project are limited to renovation and refurbishment of the existing public health facilities and of other buildings for the purposes of quarantine or isolation, and to installation of pre-fabricated units; and (ii) any civil works to be carried out under the Project are undertaken on the existing facilities and within their established footprints.
B. **Environmental and Social Standards**

1. The Recipient shall ensure that the Project is carried out in accordance with the Environmental and Social Standards, in a manner acceptable to the Association.

2. Without limitation upon paragraph 1 above, the Recipient shall ensure that the Project is implemented in accordance with the Environmental and Social Commitment Plan (“ESCP”), in a manner acceptable to the Association. To this end, the Recipient shall ensure that:

   (a) the measures and actions specified in the ESCP are implemented with due diligence and efficiency, and provided in the ESCP;

   (b) sufficient funds are available to cover the costs of implementing the ESCP;

   (c) policies and procedures are maintained, and qualified and experienced staff in adequate numbers are retained to implement the ESCP, as provided in the ESCP; and

   (d) the ESCP, or any provision thereof, is not amended, repealed, suspended or waived, except as the Association shall otherwise agree in writing, as specified in the ESCP, and ensure that the revised ESCP is disclosed promptly thereafter.

3. In case of any inconsistencies between the ESCP and the provisions of this Agreement, the provisions of this Agreement shall prevail.

4. The Recipient shall ensure that:

   (a) all measures necessary are taken to collect, compile, and furnish to the Association through regular reports, with the frequency specified in the ESCP, and promptly in a separate report or reports, if so requested by the Association, information on the status of compliance with the ESCP and the environmental and social instruments referred to therein, all such reports in form and substance acceptable to the Association, setting out, *inter alia:* (i) the status of implementation of the ESCP; (ii) conditions, if any, which interfere or threaten to interfere with the implementation of the ESCP; and (iii) corrective and preventive measures taken or required to be taken to address such conditions; and

   (b) the Association is promptly notified of any incident or accident related to or having an impact on the Project which has, or is likely to have, a significant adverse effect on the environment, the affected communities, the public or workers, including, in accordance with the ESCP, the environmental and social instruments referenced therein and the Environmental and Social Standards.
5. The Recipient shall establish, publicize, maintain and operate an accessible grievance mechanism, to receive and facilitate resolution of concerns and grievances of Project-affected people, and take all measures necessary and appropriate to resolve, or facilitate the resolution of, such concerns and grievances, in a manner acceptable to the Association.

C. Contingent Emergency Response

1. In order to ensure the proper implementation of contingent emergency response activities under Part 4 of the Project ("Contingent Emergency Response Part"), the Recipient shall:

   (a) prepare and furnish to the Association, for its review and approval, a Contingent Emergency Response Implementation Plan ("CERIP") which shall set forth detailed implementation arrangements for the Contingent Emergency Response Part, including: (i) any special institutional arrangements for coordinating and implementing the Contingent Emergency Response Part; (ii) specific activities which may be included in the Contingent Emergency Response Part, Eligible Expenditures required therefore ("Emergency Expenditures"), and any procedures for such inclusion; (iii) financial management arrangements for the Contingent Emergency Response Part; (iv) procurement methods and procedures for the Contingent Emergency Response Part; (v) documentation required for withdrawals of Emergency Expenditures; (vi) application of any relevant safeguard instruments to the Contingent Emergency Response Part; and (vii) any other arrangements necessary to ensure proper coordination and implementation of the Contingent Emergency Response Part;

   (b) afford the Association a reasonable opportunity to review the proposed CERIP;

   (c) promptly adopt the CERIP for the Contingent Emergency Response Part as accepted by the Association;

   (d) ensure that the Contingent Emergency Response Part is carried out in accordance with the CERIP, provided, however, that in the event of any inconsistency between the provisions of the CERIP and this Agreement, the provisions of this Agreement shall prevail; and

   (e) not amend, suspend, abrogate, repeal or waive any provision of the CERIP without the prior written approval by the Association.
2. The Recipient shall ensure that no activities are undertaken under the Contingent Emergency Response Part, unless and until the following conditions have been met in respect of said activities:

(a) the Recipient has determined that an Eligible Crisis or Health Emergency has occurred, has furnished to the Association a request to include said activities in the Contingent Emergency Response Part in order to respond to said Eligible Crisis or Health Emergency, and the Association has agreed with such determination, accepted said request and notified the Recipient thereof; and

(b) the Recipient has ensured the disclosure of all Environmental and Social instruments/plans required for said activities in accordance with the ESCP, the Recipient has approved all such instruments, and the Recipient has ensured the implementation of any actions which are required to be taken under said instruments.

3. Notwithstanding any provision to the contrary in this Section, Emergency Expenditures required for activities included in Part 4 of the Project shall be procured in accordance with the procurement methods and procedures set forth in the CERIP.

D. Procurement

Without limitation upon Section 5.13 of Article V of the General Conditions, all contracts procured by the Recipient in accordance with Section V, paragraphs 5.1 and 5.2 Advance Contracting and Retroactive Financing of the Procurement Regulations, shall be eligible for financing from the proceeds of the Financing only if the related contractors, suppliers, and consultants have expressly agreed to comply with the Anti-Corruption Guidelines, as required under Section I.E below.

E. Anti-Corruption

Without limitation upon Section 5.14 of Article V of the General Conditions, the Recipient shall ensure that all contractors, suppliers, and consultants financed from the proceeds of the Financing have expressly agreed to comply with the provisions of the Anti-Corruption Guidelines, including the Bank’s right to inspect all accounts, records, and other documents relating to the Project that are required to be maintained pursuant to this Agreement, and to have them audited by, or on behalf of, the Association.
Section II. Project Monitoring, Reporting and Evaluation

The Recipient shall furnish to the Association each Project Report not later than forty-five (45) days after the end of each calendar quarter, covering the calendar quarter.

Section III. Withdrawal of the Proceeds of the Financing

A. General
